Minimum Fees. A Minimum Fee of AUD\$5.00 + GST applies each month there is any traffic. If no traffic is passed then zero dollars are due					
Optional Technical Support					
One hour's Technical Support	hour	\$180.00			
*N.B. Please see below					

A USD\$250 fee will apply to each terminal activated by Electrotech for a vessel whose flag authority does not allow us to use our AAIC AA17**

N.B. Use of non preferred LES codes (those other than X02; X12 & X22: Auckland; Burum & Perth) will incur premium charges above our published rates above; completely undetermined by Electrotech & payable to us as your chosen Inmarsat Accounting Authority

Important information & conditions

Pricing. All prices are in Australian Dollars and do not include GST. Pricing subject to change at any time.

Shore-to-Ship email service. Shore-to-Ship emails sent to more than one Inmarsat-C address incur a per-unit charge for each address.

Un-barring fee. If we find it necessary to bar your terminal due to non payment of invoices that go beyond the contractual 30 days of issue date then there will be an additional unbarring fee of \$25 + GST to cover the administration of the barring and unbarring.

Optional Technical Support: Your equipment is always supplied with comprehensive and in depth manuals written with the end user in mind. The manufacturer is prepared to grant warranty terms on equipment installed by end users if they have followed the clear guidelines in the manuals. This optional technical support covers any time up to one hour when supporting you to get your Inmarsat-C up and running. This includes time on the phone/teamviewer or in preparing e-mails to send you highlighted information etc. Please note without advanced payment of this support fee we will not be able to provide you with any technical support.

**** Flag Authorities accepting AAIC AA17: Australia; New Zealand; Singapore; PNG; UK; Netherlands; Cook Island & Vauatu**
